PROFIBUS/PROFINET Seminar in Vietnam 2nd October 2012

THƯ MỜI

Tham dự Hội thảo Quốc tế PROFIBUS – PROFINET năm 02 October 2012

Innovations are the motor for progress – an important prerequisite for staking a permanent claim in the global competition. However, innovation must also be proven in reality, and provide specific advantages for the user. All these apply without limitation to PROFIBUS and PROFINET.

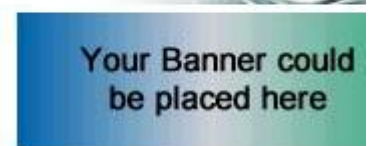

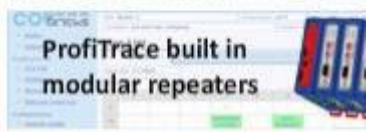

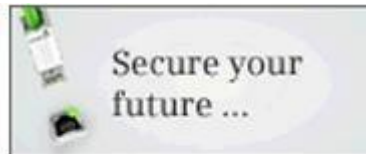

In order to prove this, we sincerely invite you to the PROFIBUS - PROFINET Seminar 02 October 2012 in Vietnam, detail:

- October 2 nd 2012: HOTEL EQUATORIAL HO CHI MINH CITY, 242 Tran Binh Trong, District 5, Ho Chi Minh City, Vietnam, **Register [here](#)**

Through the demonstration of specific examples obtained from practice, you would discover the perspectives PROFIBUS and PROFINET open up for you.

We will provide live demonstrations of innovative Products and Solutions at our Micro fair during Break times. Several Vendors will show their demo systems and product demonstrations. With PROFIBUS and PROFINET you can increase plant availability, decrease costs, and achieve improved productivity and flexibility – all within the context of an integrated system solution.

This is the first time PROFIBUS/PROFINET Southeast Asia will introduce the Multivendor Demo based on PROFINET.

High Speed with PROFINET

PROFINET uniquely combines the highest performance with the highest degree of openness. In the specification V2.3 the mechanisms 'Fast Forwarding', 'Dynamic Frame Packing' and 'Fragmentation' have been defined as a performance upgrade for PROFINET.

To make the understanding easier PI released the different methods as a Video.
