FREE PROFIBUS/PROFINET - Seminar in Indonesia, Jakarta

**Register here for the PI-Seminar
in Jakarta, Indonesia
on March 5th 2013**

Sponsored and supported by:

Dear valued Customer,

Innovations are the motor for progress – an important prerequisite for staking a permanent claim in the global competition. However, innovation must also be proven in reality, and provide specific advantages for the user. All these apply without limitation to PROFIBUS and

PROFINET and its Profiles like PROFIsafe, PROFlenergy etc.

In order to prove this, we sincerely invite you to the PROFIBUS - PROFINET Seminar 2013 in Jakarta, Indonesia on **March 5th at the "Hotel Sahid Jaya Lippo Cikarang" in Jakarta, Cikarang**. Through the demonstration of specific examples obtained from practice, you would discover the perspectives PROFIBUS and PROFINET open up for you.

We will provide live demonstrations of innovative Products and Solutions at our Micro fair during Break times. Several Vendors will show their demo systems and product demonstrations. With PROFIBUS and PROFINET you can increase plant availability, decrease costs, and achieve improved productivity and flexibility – all within the context of an integrated system solution.

Don't miss this event – register today on our PROFIBUS Webpage [here](#)
