### Successful Seminar in Malaysia

The PROFIBUS/PROFINET Association South East Asia has conducted it's next successful PROFIBUS/PROFINET Seminar of the year 2013. The seminar was conducted in Kuala Lumpur, Malaysia at the Eastin Hotel on 2 nd July 2013 and a total of 120 people from various industries and universities attended.

The Seminar was supported by ABB, Belden, Leoni Kerpen, Pepperl + Fuchs, Phoenix Contact, Posital Fraba, Siemens and Turck. These companies provided live demonstrations of their products and solutions at a Microfair, giving Seminar participants the chance to discuss face to face with the experts.

The brand new PROFINET multivendor demo was introduced. This showed the wireless integration of PROFIBUS-DP/PA into PROFINET, also the integration of different products and protocols. The live engineering of an IO-System was demonstrated along with PROFINET's web diagnostic functions and remote services.
