Successful first PROFINET Certified Engineer Training conducted

The 'Certified PROFINET Engineer' course is a worldwide recognized training program. It has been founded to create a quality platform for PROFINET and Ethernet qualified engineers who are acknowledged by an official exam.

Edward Dumay from Procentec Netherlands, conducted a successful Certified PROFINET Engineer training session in Singapore.

10 Engineers from a variety of industries all over Asia attended the training to learn the true essence of PROFINET. They all passed the exam and are now ready to serve their region.

We are proud to announce that following Companies have now, new certified Engineers:
Centech Industries Pte Ltd from Singapore, Pteris Global Limited from Singapore, Siemens Singapore, Siemens Malaysia and Siemens China.
