Review to the Seminars 2010!

The PROFIBUS Association South East Asia had successfully conducted a series of Roadshows within the region. The event took place in countries of Philippines, Malaysia, Indonesia and Thailand.

During the Roadshow, the association commenced a strong partnership with Meralco Foundation Philippines – a reputable non-profit association of instrumentation and control engineers in the country.

The Roadshow were participated by several members - Endress and Hauser, Softing, VEGA, TURCK, Siemens, Procentec, Masstron and VIPA and attracted a total of 1,000 attending participants. The technical seminar was held under the name "PROFIBUS/PROFINET - Technology easy to use"

and offer a Microfair to show each members capabilities.

Soon the new Roadshow for the year 2011 will be announced!

The Presentations from the 2010 Seminar can be found in our [Download section here](#)

New Membership Form available!

Also in the [Download section](#) is the new Membership Form for 2011 available. You can also find more informations about the benefits of joining the PROFIBUS/PROFINET Association!
