New counting on PROFIBUS/PROFINET Devices released!

In 2010 nearly twice as many PROFINET devices were installed as in the previous year. The numbers of PROFIBUS and PROFIsafe devices have also increased significantly over the previous year. This further extends the market leadership of the PI (PROFIBUS & PROFINET International) with respect to PROFINET, PROFIsafe, and PROFIBUS.

Successful Seminar in Vietnam 2011!

The PROFIBUS/PROFINET Association South East Asia successfully conducted the kick-off Seminars for the year in Vietnam.

The two events took place at the Intercontinental Hotel in Ho Chi Minh City and at the Hilton Hotel in Hanoi. A total of 250 participants took part in these events.

PROCENTEC organized a Certified training for paticipants from Asia in Singapore.
A group of 10 participants passed the certified DP and PA engineer exam in Singapore. Since January 2010, PROCENTEC is offering these high tech courses in the entire Asia-Pacific region. The Certified PROFIBUS Engineer classes introduce both DP (Factory) and PA (Process) technologies through theory and practical exercises, completed by an official worlwide recognized exam.
